**2013 LIBRARIAN FELLOWSHIP
at the INSTAP STUDY CENTER FOR EAST CRETE**

The Institute for Aegean Prehistory (INSTAP) is pleased to announce the availability of a Librarian Fellowship of \$28,000 plus reasonable travel expenses to be awarded on a competitive basis to an eligible candidate for the period May 1, 2013 through April 30, 2013 at the INSTAP Study Center for East Crete (SCEC) in Pacheia Ammos, Greece. This fellowship is intended for librarians or library students, or for scholars in the field of the Aegean Bronze Age/Early Iron Age. Candidates with course work in Library Science or library work experience are preferred. It is not necessary to have completed an advanced graduate degree to be eligible.

The fellowship entails overseeing the more than 5,000 volume archaeological library at the SCEC. Duties will include acquisition of appropriate additions to the collection, implementation of a web-accessible database catalog, and maintenance of the collection. Applications must be received no later than **November 1, 2012**, and awards will be announced by **February 1, 2013**.

In addition to the completed application form, proposals should include a *curriculum vitae* of the applicant and two non-confidential letters of support: one from the applicant's sponsor (who should be a senior scholar) and the second from a scholar in the field. If the proposed work is intended to coincide with a leave-of-absence from an academic institution, a letter from the Chair (or comparable official) stating that courses scheduled to be taught by the applicant will be covered by someone with research interest in the Aegean Bronze Age/Early Iron Age should be included.

INSTAP now accepts and prefers applications and final reports submitted via **e-mail**. Please send one copy as an attachment, either as an MS WORD document or PDF file. Please combine the application into a single file where possible, or as few files as can be managed. Send to:

instapapplications@gmail.com

If you are not able to send your application electronically via e-mail, please send 3 copies of your application to the Institute for Aegean Prehistory (INSTAP). Applications for 2013 funding must be **received no later than November 1, 2012 in the INSTAP office in Philadelphia**. It is strongly suggested that foreign applicants use an express courier service (i.e., DHL, UPS, FEDEX).

Karen B. Vellucci
Director of Grant Programs
Institute for Aegean Prehistory

(Faxed applications will not be accepted.)

Consideration for the fellowship is open to all candidates meeting the stated requirements. Awards are made irrespective of race, gender, religion, national origin, age, disability, marital status, sexual orientation, and actual or perceived medical conditions. It is possible that in the absence of qualified candidates, the fellowship will not be awarded.
