2012 POST-DOCTORAL FELLOWSHIP APPLICATION GUIDELINES

The Institute for Aegean Prehistory (INSTAP) is pleased to announce the availability of one post-doctoral fellowship to be awarded on a competitive basis to eligible candidates for work to be done between July 1, 2012 and June 30, 2012. The year-long fellowship is intended for scholars in the field of the Aegean Bronze Age/Early Iron Age who have received a Ph.D. degree in the past five years, that is, between May, 2007 and August, 2011. The Fellowship will be awarded in the amount of \$24,000, plus up to \$4,000 additional for travel expenses.

The deadline for new research grant applicants is **November 1, 2012**.

INSTAP now accepts and prefers applications and final reports submitted via **e-mail**. Please send one copy as an attachment, either as an MS WORD document or PDF file. Please combine the application into a single file where possible, or as few files as can be managed. Send to:

instapapplications@gmail.com

If you are not able to send your application electronically via e-mail, please send 10 copies of your application to the Institute for Aegean Prehistory (INSTAP). Applications for 2012 funding must be **received no later than November 1, 2011 in the INSTAP office in Philadelphia**. It is strongly suggested that foreign applicants use an express courier service (i.e., DHL, UPS, FEDEX).

The fellowship will be awarded for a specific project and is not renewable.

In addition to the completed application form, proposals should include a *curriculum vitae* of the applicant and two non-confidential letters of support: one from the applicant's sponsor (who should be a senior scholar) and the second from a scholar in the field. If the proposed work is intended to coincide with a leave-of-absence from an academic institution, a letter from the Chair (or comparable official) stating that courses scheduled to be taught by the applicant will be covered by someone with research interest in the Aegean Bronze Age/Early Iron Age should be included. If the applicant is employed, the proposed research should be done during a leave of absence.

If submitting hard copies, 10 copies of the complete application and the required enclosures should be mailed to:
